Gentlemen:-

Your circular concerning INDIAN PEACE MEDALS ISSUED IN THE UNITED STATES has come to us tho we are not a member of the Numismatic Society. We are interested, nevertheless, and should like a little further information.

Your circular gives the number of plates but doesn't tell how many pages the book has. It states that it is bound in paper. Are there no cloth bound copies? We much prefer cloth.

One more thing. Do you make any discount to libraries?

Awaiting your reply, we remain

Yours very truly,

F. Mabel Winchell,
Librarian.
